

## **Coach agreement form**

### *Colchester Gladiators American Football Club*

All coaches working within Colchester Gladiators American Football Club are encouraged to work to high standards and adopt recognised best practice where possible.

In addition to their own standards of practice, volunteers should be aware of and adopt Colchester Gladiators American Football Club's own:

- codes of conduct for coaches
- child protection guidelines
- equity policy statement
- safety guidelines.
- Colchester Gladiators Role description for Head Coach/Assistant Coaching roles

The club will ensure that its coaches have access to a copy of each policy and guidance note that is relevant to their work. The club will listen and respond to matters that the coaches bring to its attention in relation to their work and will support, where possible, their training needs.

I am familiar with Colchester Gladiators American Football Club's standards of practice named above and will adopt these in my work. I accept the responsibilities associated with the role(s) I have agreed to undertake.
