

# Colchester Gladiators American Football Club

## Membership Subscriptions for 2014 Season

All membership descriptions taken from the Club Constitution

Classes of Membership shall be as follows:

a) **Senior Players (Over 18s)** - Shall be registered senior players, who have paid the annual membership subscription as set and scheduled by the MC. All such members shall be entitled to play American Football for the Club, subject to selection criteria (see 11), vote at General Meetings (see 7) and receive all Club communications.

**2014 - £200**

b) **Junior Players (Under 19s)** - Shall be registered junior players, who have paid the annual membership subscription as set and scheduled by the MC. All such members shall be entitled to play American Football for the Club, subject to selection criteria (see 11), vote at General Meetings (see 7) and receive all Club communications.

**2014 - £150**

c) **Youth Players (Under 17s)** - Shall be registered Youth players, who have paid the annual membership subscription as set and scheduled by the MC. All such members shall be entitled to play American Football for the Club, subject to selection criteria (see 11), vote at General Meetings (see 7) and receive all Club communications.

**2014 - £100**

d) **Basketball Players (Over 18s)** - Shall be registered senior players, who have paid the annual membership subscription as set and scheduled by the MC. All such members shall be entitled to play Basketball for the Club, subject to selection criteria (see 11), vote at General Meetings (see 7) and receive all Club communications.

**2014 - £30**

e) **Honorary Life Members** - May be appointed by the incumbent MC and shall be entitled to all the privileges of non-playing membership without liability to pay annual subscriptions. Candidates must have served the Club for at least five years. Honorary Life Membership shall be considered by the MC on receipt of a written and seconded proposal from within the Club Membership to the Club Secretary.

**2014 Subscription - Nil**
